On Peace with Justice Sunday, June 12th, we partner with other United Methodist congregations in a special offering to support advocacy around the world. Together we strengthen God's creation with ministries that challenge structures of inequality. We empower people and communities through systemic change in ways that bring true and lasting peace with justice. Peace with Justice Sunday is a faithful expression of shalom in the Bible. It calls the church to strengthen its capacity to advocate publicly in communities and nations throughout the world. The offering is administered by the General Board of Church and Society and benefits peace with justice ministries in the annual conferences and around the world. Half of our gifts stay with local ministries in this conference and half support the work of Church and Society globally. Through our gifts and support, we partner with God and God's people to strengthen Christ's loving presence in a hurting world. United Methodist Special Sunday celebrations invest in transforming communities, empowering leaders and building up ministries of peace with justice. Concentrating our resources to support shared ministries equips us to step into a grace-filled new beginning with faithful determination.
